

Medical Waste:

Syringe disposal from home is important. Please snip the tip and place used syringes into an empty puncture proof container such as a coffee can, soda bottle, or mayonnaise jar. Replace the lid or cap on the container and secure with strong tape such as duct tape, to prevent accidental opening and place in your regular trash cart for curbside collection.

DO NOT put Syringe containers in with recyclables.

Prescription Medication Disposal: Do not dispose of prescriptions or over the counter medications down the drain or toilet. Wastewater Treatment facilities cannot remove harmful pharmaceutical compounds which could contaminate drinking water.

Steps for proper disposal:

- Keep medicine in original container and mark out personal information before discarding.
- Dilute Pills with water, coffee grounds, cat litter, or dirt.
- Hide container with diluted pills in trash. Do not recycle.
- Liquid medication, pour directly into trash bag, recycle bottle if possible.

**Report Illegal Dumping in
Cumberland County
856-825-3700**

ALL MILLVILLE RESIDENTS & COMMERCIAL ESTABLISHMENTS MUST RECYCLE

It is unlawful:

- To commingle recyclables with other trash and garbage.
- To place any household hazardous waste or electronic waste curbside.
- To place yard waste at curbside containing brush, tree limbs, or tree trunks larger than 12 inches in diameter and longer than 6 feet in length.
- For any person to blow, rake, sweep, or place loose yard waste closer than 10 feet from a storm drain inlet.
- For any private contractor, even if hired by a resident, to place yard waste at curbside for collection by the City. Contractors are required to dispose of bulk yard waste at an approved disposal facility. The Millville compost facility will accept wood chips only from Contractors performing clean up for city residents.

Penalties

Minimum mandatory penalties for minor offenses are:

- Container exceeding weight limit \$50.00
- Trash and recyclables placed at improper locations or times \$100.00

More Serious Violations

(including those pertaining to bulky waste, white goods, and construction debris) shall be penalized not less than \$250.00 or more than \$1,000.00 for each offense. Each day of a continuing violation shall be considered a separate offense.

Trash & Recyclables

Trash is collected once a week on your regularly scheduled day. Recycle is collected bi-weekly (every other week) on your regularly scheduled day. Carts should be placed at the area closest to the curb no earlier than 3PM the day before your designated collection day. In absence of a curb, use the area closest to the edge of the street without endangering traffic safety or obstructing pedestrian travel. This applies to all waste materials including containerized, individual, and loose placed items. Empty carts shall not be left at curbside after 7PM on the designated collection day.

Pickup Exceptions

Include: New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.
(Collection will take place the day after the Holiday)

Storm Events

Collection is provided after heavy storms which will be declared by the City.

Bulky Waste

Household furniture, beds, table, chairs, couch, dresser, etc. Two pieces of bulky waste will be picked up per trash day. No earlier than 3pm the day before your designated collection day.

Construction Debris

Lumber, dry wall material, plywood, carpet, electrical and plumbing materials or other similar materials commonly used in construction or waste resulting from construction is **prohibited** at curbside for solid waste collection. Residents can use the Cumberland County Solid Waste Complex. Dumping such material in the woods, on vacant lots or along roadways is punishable by a fine of \$1,000 or community service.

As an accommodation to residents, the City will continue to pick up white goods as defined below until further notice.

White Goods

Appliances -stove, washer, dryer, refrigerator, etc. 2 per month on the last full week of the month. No earlier than 3pm the day before your designated collection day.

Tires

With **rims removed** will be picked up at curbside, 2 per resident . The last full week of the month.

Single Stream Recycling

Combine all of your recyclables in your recycling cart, they will be collected bi-weekly (every other week). Rinse ALL containers!

Glass Containers: Bottles & jars.

Plastic Containers: with symbols 1 & 2 ONLY on the bottom. (**Plastic Bags** throw in regular trash. containers exceeding 1 gallon shall be considered part of regular trash).

Metal Containers: Cans

Paper: uncontaminated newspapers, catalogues, magazines, phone books, office paper, and junk mail. Exception shredded paper must be bagged and thrown in curbside trash.

Cardboard: uncontaminated (Flatten Boxes)

CURBSIDE COLLECTION OF YARDWASTE

Loose Brush: **May Collection: Residents may place brush at curbside April 16-30. September Collection: Residents may place brush at curbside August 12-31.** Loose brush includes branches, tree limbs, trunks, sticks and other vegetation no larger than 12" in diameter and no longer than 6' in length. (No stumps) Christmas trees are handled curbside same as loose brush.

Loose Leaves: November and December. During other months, they must be containerized in plastic bags, properly tied and must not exceed 30 lbs. **Residents may place loose leaves at curbside for April collection March 16-31.** There will be a loose leaf collection in April which will consist of one pass only.

Concrete: City of Millville does not accept concrete at anytime.

Bagged Yard Waste: (Grass clippings, leaves, vines, and small trimmings from bushes only): Once a week on designated collection day, not to be placed at curbside more than 12 hours in advance.

Millville Compost Facility: located at 999 Cedarville Road will accept yard waste from city residents hauled in their private vehicles (**no dump trailers**) on **Tuesdays, Thursdays, and Saturdays, 7:15am-2:45pm. Must show proof of residency.**

Household Hazardous Waste & Electronic Waste:

Shall not be placed curbside for collection. It is unlawful to dispose of any hazardous waste by pouring down sanitary drain, storm sewers, or on the ground. TV's shall not be cannibalized or placed at curb.

Disposal: (The only household hazardous waste accepted by the Streets and Roads Department located at 416 S.15th Street is uncontaminated waste oil, uncontaminated antifreeze (delivered in sealed disposable containers).

Electronic Waste: Televisions, vcr's, stereo's, computers, laptops, dvd's and cd players, printers, microwaves, monitors, keyboards, phones, and rechargeable batteries, etc.

Household Batteries:
